MOTOCROSS MADNESS

Well I'm sure that some of you have heard about what happened at Challenger Raceway on August 21st, but if not it was complete chaos. It was the first race of eight for the District 5 State Championship Series. Scoring was messed up, the gates broke, and the race was running really slow. With the heat and everything going wrong people started freaking out. Since it wasn't till 4:30 p.m. that the 1st set of motos finally ended people knew that the race couldn't be finished at 8:30 p.m. (which was the time it had to be over) so the owners decided to cut every moto to two laps and people didn't want that. A lot of people started protesting the race, but they ran the 1st two motos and then decided that it was time to water the track. People got so mad about this that they surrounded the registration trailer and were fighting with the owners, finally the race was called off and people were so upset that they couldn't race, they wanted half their money back. It was definitely not a good scene; it got so bad that the state police were called to control the riot that broke loose. But, people did stupid stuff and some were thrown out. I'm not trying to give Challenger a bad reputation but I think that they should have been more prepared for this race, and should have known how many people do show up for these races. What's even worse that lots of the racers results were messed up which will affect them throughout this series.

If anyone has any good stories or places to ride email them to me and I will add them in the next newsletter, KxGurlie53@yahoo.com.
