GREETINGS FROM THE BACK OF THE PACK

Last months meeting was held at West Hills Honda, we got a good look at the new shop and they accommodated our club very well. The main issue that I would like to stress is the email account; the club really needs to have everyone with an email address, to send them in. Either write it down and bring it to the meeting or the easiest way is to send them to the email account itself threerivcompriders@yahoo.com. We also need the creator of the account to please contact one of the officers so that we can access the account and know who is coming to the rides as well as other information.

Members need to start coming to the club rides, people say they are going to come and don't show up. At the last two rides scheduled, two riders came to Bruin and ten riders came to Powerline Park. We really need the support of all the riders in this club or we won't have rides. It's a waste of time and money for only a few people to show up. Before the club picnic, which takes place on September 11 at the TMC Camp in Bruin we would possibly go there to work. We will contact everyone with further information about that. Some bad news, Leechburg still has not responded to the club about riding areas for the club as we had hoped, hopefully, soon we will have the land back and can plan some rides there.

The club also received a certificate of appreciation from the Allegheny National Forest, which you can see on the next page.

Also if any member goes to their local shop and picks up an issue of Tracside you will find that there is an article about TRCR in there. So go pick up your copy.

The club would also like to send our deepest sympathy out to Mike Domville, whose wife recently passed away. Mike you and your family will be in our prayers.

The club would like to salute Tom McNamara, he just returned home from being stationed in Iraq.

Finally, if anyone would like to place an ad in the next letter spaces are now available: \$25 for a pre-printed ad; ¼ page \$25; ½ page \$50, and for a full page \$100. So place your ads now!

MOTOCROSS MADNESS

I recently went up to Switchback for the Hot Summer Night Series and had an awesome time. The track conditions were great and everything ran smoothly. So if you want to race under the lights and just have a great time you should definitely head out to Switchback.

If anyone has any good stories or places to ride email them to me and I will add them in the next newsletter, KxGurlie53@yahoo.com.
