## **GREETINGS FROM THE BACK OF THE PACK**

Last month's meeting was held once again Northgate Cycle in Cranberry. It was a good meeting and we were happy that Steve was able to accommodate us once again. One thing that I would like to bring to everyone's attention is that we've been having our meetings at the same places pretty much every month; the club would really like to start moving around to other shops. So if anyone would be willing to talk to their local dealer please do so and notify one of the officers.

One of the things that were decided was that the life-time membership was settled, if you have been a member for 25 years or more you will now receive a life-time membership.

We also had a gentleman from Combined Insurance Company that came in to talk to everyone about an insurance policy that will definitely benefit all riders. I don't have the information for the newsletter but if you call 724-991-9729 you will be able to get the info. Basically to sum up the insurance plan it is \$16 a month with many benefits; you get paid if you are off work or are in the hospital.

Congratulations go out to Steve and Amy Stiller because they are expecting to have a child soon!

## **Spring Hatfield McCoy Ride**

By Jeff Pflugh

There is still time to get on board to venture down to ride the Hatfield McCoy trails over the weekend of April 8/9/10. If you plan on going but haven't reserved a room, you should act quickly because they become difficult to come by. We blocked off some rooms at the Super 8 Motel in Logan (and got a 10% discount) and there is a couple left. If you want one, email me at [jpflugh@peircelaw.com](mailto:jpflugh@peircelaw.com) or see me at the next meeting. It looks like we have somewhere between 20-30 members on board to make this trip! From looking at the updated trail maps at the Hatfield McCoy website, there is a lot of trail maintenance going on and, hmmm, what's this, it looks like there is some new single track at Bear Wallow that warrants inspection by TRCR. More trails are reopening every week so by the time we get down; there will be plenty of riding to do. Once again, if you haven't made it down there yet, you owe it to yourself as no one comes back disappointed.

Also, if anyone would like to place an ad in the next letter spaces are now available: \$25 for a pre-printed ad; ¼ page \$25; ½ page \$50, and for a full page \$100. So place your ads now!

## **Motocross Madness**

The motocross season started off with a rainy start, but things are really starting to pick up for District 5. They have had many canceled races, but now that the weather is drying up we've been able to get two races in at R&D and Pleasure Valley, but I have to say it was a very muddy day out there at Pleasure Valley and a few injuries occurred including my dad getting run over. Hopefully the weather warms up some more and we can really start racing. Please look at [www.district5ama.org](http://www.district5ama.org) for race schedules and cancellations.

Also High Voltage will be starting up with practice shortly as follows:

Open Practice Sunday, April 3<sup>rd</sup> from 10am-3pm.

Tuesday, April 5<sup>th</sup> from 5pm-8pm weather permitting.

The Spring Schedule will be Sundays 10am-3pm and Tuesdays 5pm-8pm.

This year everyone will get a membership card to ride/practice at High Voltage, the card will cost \$5 for the year and every 10 practice sessions that you come to you will get 1 free practice day at High Voltage. To contact Rich Butler for this deal please call or go to the following websites.
