**Race Report** Coming to Blain PA in July is round 6 of the National Enduro Series. If you have never run an enduro, or have run one in the past, the nationals this year are different. NO timekeeping!! No hidden checks, just arrive at each check anytime early and wait for your minute. Start on your minute and go as fast as you can thru the timed section till the checkout. There are usually 6 timed test sections and generally 60 to 80 miles of trail. It is a good ride even if you're not into racing. Bikes do not need to be street legal, you only need a spark arrester and pass a 96 dba sound check. More info at [www.sorrmc.org](http://www.sorrmc.org)

Unfortunately the May meeting scheduled for Tracey's World of Cycles had to be cancelled at the last minute. One of their staff that stays to keep the shop open for us got hurt prior to the meeting and was unable to work. Hopefully it wasn't too serious. Sorry for any inconvenience this may have caused.
