The toy run at Natrona Heights was awesome. If you missed it, shame on you. No time for details now. Hopefully someone will write up a report and send it in. (hint, hint)

Novembers meeting at Dan’s Transmission in Cranberry was lightly attended, 12 members and 2 prospective members. The shop was neat and clean, if you need transmission work, Dan is your man. Thanks Dan for the use of your place, food and refreshments.

Lately we have been having problems getting sites for the monthly meetings. Anyone that can help schedule meeting sites or host a meeting please let one of the officers know.

Due to personal commitments Mike Perry is unable to continue as Vice President. Thankfully Jason Lipscomb has thrown his hat in the ring. The other current officers although willing to serve another year, would welcome anyone that is interested in any of the positions.

I dream of the day that we have multiple nominations for each position and can have an actual election!
