### **Ride Reports**

The ride at Redbank on the 17<sup>th</sup> was a success. 17 current and 2 new members showed up. \$190 was  
 Donated to the landowner. We had a great day of riding, everyone really enjoyed the site. The club is  
 hoping to ride there at least once more and possibly have the summer picnic there also.

The ride at Marienville is shaping up to be a good one also. Jason just sent me a note that 14 members and 4 potential members have committed.

### **Race Report**

May 10 AWRCS at Redbank

Although it was Mothers day there was still a decent crowd. 279 racers showed up for a great race. The weather was cool and overcast, a perfect day for racing. Not too much mud, and a fun challenging course. The bike loop was 10 miles, the quad loop slightly less. The bike pro class was won by Randy Myros with a 46 second lead. He and Jake Fiola battled all day. Pro quad riders Chris Bithell and Brandon Sommers also battled all day with Chris taking the win by 4 seconds, they were never more than 8 seconds apart each lap. Some really good racing by all.

The May meeting at Bentley's was well attended by 21 members. A big Thanks to Ralph Bentley and JJ for hosting us. They went above and beyond by not only providing pop and pizza but also everyone walked out with some sort of prize. From KTM cups and can cozies, to KTM T-shirts, to 6 awesome KTM tents. Thanks again for the generosity.

Steve has said in the past that the potential to have club rides at some of the AWRCS sites after the races was something he was working on. Although Steve was not able to attend the meeting, we were able to confirm that we could have a ride at Redbank if we had insurance. (the insurance is needed not only to cover the club, but also to cover the landowner) The club voted unanimously to get insurance and schedule a club ride for May 17 at Redbank. (the insurance company is the same one that Steve uses for AWRCS) We hope to be scheduling more club rides and will let you know ASAP.
