Secretary's Report

By Keith Marburger, Club Secretary

The January meeting at Bentley's went well. Thanks to Ralph and JJ for the hospitality. 17 members were in attendance.

Treasury was discussed, as we are down on membership, funds are at an all time low. Some upcoming expenses will be the yearly subscription for the website and the insurance is coming due. Further discussion and some ideas will be needed to solve this problem.

Meeting places were also discussed. Due to the low membership some shops no longer want to host the meetings as staying open has become a financial burden. We are going to try to have every other meeting at a shop and at somewhere else in between. The in between meetings will be at the same place [probably a bar] every month to make it easier to remember. March we will be trying Frank'n Stiens to see how everyone likes it. If you have a place that would work well, let us know. In an effort to relieve the shop that still host us we want to start promptly at 8pm and conclude the meeting as efficiently as possible, hopefully by 9pm. This will allow the shop to close up in a reasonable time. If you want to stick around after, please do so outside. I know this is usually the best part of coming to the meetings, but lets be considerate of the shops still willing to support us. Speaking of support, PLEASE support the shops that support us!

If anyone has any ideas to generate new membership, let us know. We are also still looking for someone to step up and assume the role of president.
